The Wendy Francis Foundation

Empowering Communities, Uplifting Lives

INTRODUCTION

The Wendy Francis Foundation is a non-profit foundation committed to building and empowering communities, with a special focus on women and youth. Our **mission** is to create a world where every individual has the opportunity to reach their full potential, regardless of their background or circumstances. We believe that by providing learning, self-development opportunities, and humanitarian aid, we can uplift communities and help them thrive.

OUR CORE INITIATIVES

Serving and Empowering the Vulnerable Always (S.E.V.A.) : FOOD DISTRIBUTION

01

With weekly planning, every Saturday, we come together to prepare, cook, and distribute meals to the poor, vulnerable, and homeless persons in our local communities and by extension to all from far in need. We extend our reach to various areas in Trinidad, recognizing that hunger knows no boundaries.

Through S.E.V.A., we aim to combat food insecurity, providing not just nourishment but a sense of belonging and care to those who often feel marginalized. This initiative is a testament to our commitment to immediate, tangible, and direct positive impact to countless lives/families within our communities.

Education Empowerment and Self-Development

02

Education is a powerful tool for change and independence; and we strive to make it accessible to all. We provide free skill-building courses and educational resources to empower young minds.

We believe that personal growth and development is an ongoing journey. Through our workshops, and mentoring programs, individuals develop essential life skills and discover their hidden potential. We are dedicated to fostering self-confidence and resilience in the face of life's challenges.

Humanitarian Aid

03

The Wendy Francis Foundation extends its helping hand not only through S.E.V.A. but also by providing humanitarian aid all year round and also during emergencies and crisis situations. We work to alleviate suffering and promote community resilience through initiatives such as food hampers, feminine care, disaster relief and healthcare support.
